PROFILE

As a motivated individual with a burgeoning passion for frontend development and an eagerness to delve into Android app development, I am actively seeking new opportunities to expand my skills and contribute to innovative projects. Despite my limited experience, I am a quick learner who thrives on challenges and is always ready to embrace fresh opportunities for growth and learning. My determination to continuously acquire new skills makes me a valuable asset for teams looking for adaptable and enthusiastic talent."

EDUCATION

B.Tech, Shri Ramdeobaba college of
engineering and management

Nagpur

Nov 2021 — Jun 2025

INTERNSHIPS

Web developer, Txon

Mumbai

Feb 2023 — Mar 2023

As an Web Developer intern at Txon, I had the opportunity to acquire fundamental skills in the realm of software development. During my internship, I engaged in hands-on learning, gaining a foundational understanding of key concepts and practices in the field. This experience has ignited my passion for technology and provided a strong starting point for my journey into further skill development and Android app development."
